## Low Profile Recycling Receptacle

This sleek and attractive receptacle has a 23 gallon capacity, but protrudes less than one foot from the wall! 30" height fits under standard work tables. Seamless construction makes clean-up easy. Molded-in bag cinch eliminates the need to tie knots in polyliners. Hand grips on the receptacle's bottom provide a secure area to grasp when lifting and dumping. Receptacles can be used with or without lids. 4UAU7 base accepts 4UAW1, 4UAW2 and 4UAV3 lids.

## Low Profile Half Round Recycling Receptacle

This receptacle has a sleek and attractive design and a small footprint, making it ideal for today's space-efficient workplace. The rounded front and sides allow use without traffic interference.

## Recycling Lids

These lids are designed for specific recycling collection, which encourages users to sort their recyclables. Color-coded for easy recognition. All lids fit the 4UAU7 base.
