

K2™ Commercial Door Hardware by Black & Decker

Issue: Facilities purchasing commercial door hardware desire high quality door hardware product but have tight purchasing budgets. Product warranties are limited. Product installation is time consuming and costly.

Application: Use in commercial and government office space and buildings, apartment complexes, retail stores, and hospitality markets for both new or replacement hardware applications.

Recommendation: Grainger now offers K2 Commercial Hardware by Black and Decker. K2 offers feature-rich cylindrical and tubular levers, deadbolts, door closers and exit devices designed to improve installation productivity. K2 Commercial Hardware is designed to provide proven security in high-use or high-traffic areas and is resistant to damage caused by physical force.
