---

### Key to Degradation Ratings

- **E**: Excellent
- **G**: Good
- **F**: Fair
- **P**: Poor
- **NS**: Not Suggested

**Key to Degradation Ratings:**
- **E** = Excellent
- **G** = Good
- **F** = Fair
- **P** = Poor
- **NS** = Not Suggested

As with all protective clothing used in applications with potential chemical exposure, the chemical degradation information and claims may vary. Therefore, the information in this chart should be used as a guide only.

The suitability of any protective clothing for a particular application must be determined by testing by the purchaser.
