Stop fighting with rings and bolts! PIG Latching Lids make it easy to access drums and meet regs.

- Unique design makes it easier to access drum, minimize vapor emissions and meet closed container regs — great for hazwaste
- Easy-access lid closes securely to help you meet closed container regs
- Lockable latch helps prevent unauthorized access
- Hinge stops keep funnel lid upright when open
- Durable, chemical-resistant powder coat helps ensure long service life
- Hinge pin is made for easy lid removal without loosening band around drum

PIG Latching Drum Lids are loaded with features you won’t find anywhere else.

One-hand latching handle with locking mechanism
Easily removed hinge pin
Adjustable tension
Nitrile gasket
Chemical-resistant powder coat

“Easy to open and is truly closed when latched. No more fighting rings and bolts just to add or remove contents from the drum.”
